PRAY

- Pray for easily-accessible, clean drinking water in every village in North India. Everyone needs healthy, cool water to drink.
- Pray the Gospel will spread quickly through these villages as whole communities realize that Jesus cares for their every need.

Gifts that make a difference!

You have been honored and other people have been blessed

A gift has been given in your honor that provides an opportunity for someone else to hear the Truth of Jesus and experience His grace in a tangible way!

"When I was a young girl, my house chore was carrying water. It was hard work and lots of girls were hurt along the way. I am so thankful to God for this new well. I am so glad that my daughter can be safe and not carry water like I did. Thank you."
– Indian villager

In your honor a bore well has been installed in a village giving clean water access to 500-1,000 people. Village leaders gladly open doors for the respected church planters who then share about the "living water" of Jesus.

10/40 CONNECTIONS exists to cast hope to unreached peoples so that they hear, experience and multiply the Good News of Jesus. We do so by connecting the Body of Christ, equipping believers, and engaging the unreached.
