PRAY

- Pray for families making tough choices and sacrifices as they consider adoption.
- Pray for the physical, emotional, mental, and spiritual development of these babies. May thier caregivers know just what they need.

Gifts that make a difference!

You have been honored and other people have been blessed

A gift has been given in your honor that provides an opportunity for someone else to hear the Truth of Jesus and experience His grace in a tangible way!

Certain areas of China have limited medical care, so some families unable to care for their special needs children give them for adoption. We praise God that though these babies could have been aborted, now they can find their forever families!

In your honor Chinese orphans will recieve love, medical care, and daily physical help as they wait to be adopted into thier loving, forever family.

10/40 CONNECTIONS exists to cast hope to unreached peoples so that they hear, experience and multiply the Good News of Jesus. We do so by connecting the Body of Christ, equipping believers, and engaging the unreached.
