

# PRAY

- Pray for the safety of the church planters as they journey along dangerous paths and roads. Pray for no mechanical trouble. Pray for open doors of access in remote villages.
- Pray for the new people groups that will hear of Jesus because of these church planters sharing the Good News! Pray for open hearts and groups that multiply.

Further and faster! Church planters need to reach more villages, and motorcycles meet the need perfectly. Good for highways or off-road, powerful for climbing hills and rough terrain. A motorcycle helps our guys and gals reach the hard places and people.

In your honor, 10/40 will provide a frontline church planter with a solid and reliable motorcycle that will propel them to remote villages.

**Gifts that make a difference!**  
*You have been honored and other people have been blessed*

A gift has been given in your honor that provides an opportunity for someone else to hear the Truth of Jesus and experience His grace in a tangible way!

10/40 CONNECTIONS exists to cast hope to unreached peoples so that they hear, experience and multiply the Good News of Jesus. We do so by connecting the Body of Christ, equipping believers, and engaging the unreached.
