PRAY

- Pray for the church planters whose livelihoods will be sustained through this gift of livestock.
- Pray for the growth, high quality, and fast multiplication, of these animals, so that this business model will inspire more church planters toward local funding.

Gifts that make a difference!

You have been honored and other people have been blessed

A gift has been given in your honor that provides an opportunity for someone else to hear the Truth of Jesus and experience His grace in a tangible way!

Who doesn't love cute chickens? Load up on curious goats! And everybody needs a water buffalo!

In your honor, the family of a church planter in North India or Pakistan has moved toward sustainable living. Meat, eggs, and milk sold at the local market can help church planters develop an on-going source of income. In your honor, a church planter has been blessed with egg-laying chickens, a baby goat, or even a water buffalo.

10/40 CONNECTIONS exists to cast hope to unreached peoples so that they hear, experience and multiply the Good News of Jesus. We do so by connecting the Body of Christ, equipping believers, and engaging the unreached.
